

Polo Driving

Objective

Encourages leg drive.

Place a packet of polo mints standing up on tee line, and a small box further out.

Slide without stone, pick up sweets and place in the box, without putting hands on the ice.

Sweets can be replaced with marker or another easily handled item

The box and sweets can be moved further out depending on ability. Brush can also be removed when sliding.

Scoring

Pick up sweets = 1 point
Pick up sweets & place* in box = 2 points

* Sweets must be placed, not thrown into box.
