

Pop goes the Weasel

Objective

Promote placed stones into house by a direct tapback on the first stone.

Angles and reverse kicks

Stones are arranged from the edge of the 12ft towards the hog line with the stones in contact with one another. (the ultimate freeze)

Different levels of play.

Easy – 4 or 8 stones placed, play from near hog line

Hard – 4 or 8 stones placed, play full length

Scoring

A point for every placed stone promoted to or biting the house.
